APPLICATION: How are we doing in reaching out to broken people with the compassion of Jesus Christ?

As we study the transformation of this lame man, we need to see our own spiritual conversion and praise the Lord for His amazing grace in our lives. We also need to have compassion for the broken condition of those around us who are far worse off than just a physical cripple – they are lost in the bondage of sin and separated from the life of God.

Let’s rejoice with leaping in our hearts as we praise Him for His mercy and deliverance.
