“STAND FIRM IN THE LORD – IN ENEMY TERRITORY”

STAND FIRM (Philippians 4:1)

The Philippian church was encouraged to stand firm in the Lord based on their _____ to know Christ and strive together by faith in the gospel.

Today, if we allow other pursuits (personal goals/agendas) to distract us, we will no longer be plowing in the same field.

LIVE IN HARMONY IN THE LORD (Philippians 4:2-3)

Paul wasn't concerned with the question of who was in the right but the stability of the church and the urgent need for _____ and _____.

Fellowship must be restored in any church so that heavenly citizenship can be sustained by members having the same mind "in the Lord". Paul reminds them that if nothing else, their names are written in the _____ of _____.

STAND FIRM - PRAY (Philippians 4:4-7)

Paul sees prayer as a necessity to manage our anxiousness that will lead to the _____ of _____ that we have been promised when we pray.

STAND FIRM - KEEP YOUR MIND ON THE LORD (Philippians 4:8-9)

Paul is calling the Philippians to a way of life that's different: one that won't tolerate divisions between them, and one that is so saturated with prayer that there's something different about the way they live.

NOTHING will change our life more than striving to develop a "_____ in _____" which will help us think on these things - what's pure, honorable, just, lovely, commendable, excellent and worthy of praise, and the GOD of peace will be with you.
